#### REMARKS

The present application is a national phase application of PCT/IL98/00321, filed July 9, 1998. A sequence listing and computer readable form (CRF) were filed in PCT/IL98/00321. While a paper copy sequence listing is included in the present application, filing of a new CRF should not be necessary.

The above amendments to the claims are being made in order to eliminate multiple dependency and for the purpose of reducing the filing fee. Please enter this amendment prior to calculation of the filing fee in this case.

Favorable consideration and allowance are earnestly solicited.

Respectfully submitted,
